Thanks Katie, and we appreciate your support! I'll follow-up with a meeting request to the RA's office, but I have a few follow-up questions...

- Do you know whether Belinda has penciled us in for 3:00 on the 8th?
- Do you know whether the Miccosukee Tribe is OK with us sending a Teams invitation?
- Do you know who from the Miccosukee Tribe that we should invite?

It's a work in progress, and we won't have it done before tomorrow morning. We'll plan to share it once it's ready, and it's informed by a good discussion we had with Eve today.

Will do. I'll let you know as soon as I hear from him. Have y'all prepared talking points and/or a Run of Show for the meeting with Mary tomorrow afternoon?

Mary is free at 3. Should I propose that time to Kevin Donaldson?

Katie – I just learned Jeaneanne is only available 11:00-12:45 and at 3:00 on Oct 8, and she would very much like to be involved in the meeting. Hopefully one of these times will work. Thanks! Tom

Thanks Katie, Oct 8 works for me, and I'm waiting to hear back from the Division Front Office on their ability to participate (Jeaneanne's calendar is currently full). In the meantime I have a few questions...

- Is the reason for trying to include Mary in the meeting because they asked her to participate, or is it because the precedent has been set with the Seminoles for engaging the RA in consultation discussions with Tribes on assumption?
- Regarding the Choctaw Nation of Oklahoma's request to consult, do you think it's important for the RA to be included, or can we proceed without the RA as our discussion is limited to NHPA?
- Do you think 1.5 hours is appropriate regarding the length of the meeting, or should we leave that to the Miccosukee Tribe?

Hello all,

Kevin from the Miccosukee Tribe called to suggest 10/8 for the consultation on FL 404 assumption. He said they'd prefer morning, but could do afternoon if morning doesn't work for folks. How does that date look for everyone? The Business Review meeting is 9-11. I have inquired with Belinda as to Mary's schedule. Ideally we'd have her on since she will be on the Seminole consultation.

Thanks,
Katie
